BY ROAD

Leave the M40 at junction 4. From the large roundabout take the exit sign posted to Cressex between the turnings for the A4010 and the A404. Go straight over the first mini roundabout and turn left at the second, which is by a Shell garage. You should now be on Desborough Avenue. Go straight over the first mini roundabout on this road and travel down the big hill, past the Wendover Arms on the left hand side. After another 250 metres, take a left turn into Plumer Road. At the end of this road turn right and then first left into Copyground Lane. Go straight across the mini roundabouts and immediately turn left into Cutlers Court. Entering through the black wrought iron gates, Alpha-Plus is the red brick building on the right, just inside the gates.

BY RAIL

30–35 minutes by train from Marylebone Station to High Wycombe.
